Dear Mr. Dalley:

The Division of Oil, Gas and Mining approves the Notice of Intention to Commence Large Mining Operations (Notice) for the Keigley Quarry conditional on receipt of the following items:

1. Two additional copies of the complete and corrected plan. Upon final approval, both copies will be stamped approved, and one will be returned for your records.
2. Additional reclamation surety in the amount of \$300,000. The site is currently bonded for \$1,402,000 in the form of a surety bond with Fidelity and Deposit Company of Maryland. Based on the approved surety calculations provided in the Notice, the required bond amount for the site is now \$1,702,000.
